SanCo

SALES, INC.

A Manufacturers Representative Corporation

SanCo Sales is a manufacturers' representative agency that had its beginning in a desire to serve customers in a manner that enhanced their value. The charter for SanCo Sales is to Focus on You the Customer, to Think Process and to Assess the Unique Value-Added Capabilities brought to you by SanCo Sales and its principals and use them to the benefit of you and your company.

CUSTOMER TESTIMONIALS

“SanCo’s service is outstanding and they represent a diverse range of high quality facilities. Great communication and quick to solve any problem that arises.”

-Danny Gray, Senior Buyer at Emerson Process Management

“I am a current client of SanCo Sales and have worked closely with them for the last 4 years. SanCo is extremely customer focused and goal/detail oriented. SanCo makes it happen and they make my job easier. Every member of their staff is very professional and their business acumen is second to none”

-Roseann Savino, Supply Chain Manager at Gardner Denver Thomas
